**79. OFFICER Arie Kroeze** investigates a rollover collision on I-5 south of Patterson. Two witnesses rushed to the scene and assisted the driver, whose head was pinned under the door frame. One witness tied the wrecked car to his vehicle and pulled forward to take the pressure off of the man's head, while the second witness used a tire jack to lift up another part of the car. Both witnesses are scheduled to receive Certificates of Commendation from the Modesto Area for their heroic efforts. The driver was badly injured and airlifted to a hospital.
